Dear Day Drive Area Business Owner / Manager:

The City of Parma needs your thoughts, comments and/or concerns. We are conducting a special study in an attempt to enhance the Day Drive corridor from Ridge Road westerly to Ames Road. We need comments from all of the various groups who are impacted by current conditions. We want to know what you may feel are needed improvements or alterations to existing conditions. As a business owner and/or manager, your comments are requested, together with those of your employees and/or customers.

Your comments may be made in one of several ways. Your input will make this an effective study. Contacts/comments may be made by:

1. Mailing or emailing the attached "Public Comment" document as noted on the attached form; or
2. By calling the City's consultant at 440-530-2316, ask for Chris LeGros; or
3. By attending one of the two public meetings to be held on November 9, 2006 at 8:30 am and 7:00 pm in the Council Chambers at Parma City Hall.

Your cooperation both through your individual participation and/or your support in seeking comments from your employees and/or your customers is appreciated.

Very truly yours,

THE CITY OF PARMA

Dean DePiero
Mayor
